How to Create a Parent Account Through the App

1. Open App

Download the Canvas Parent App to your mobile device

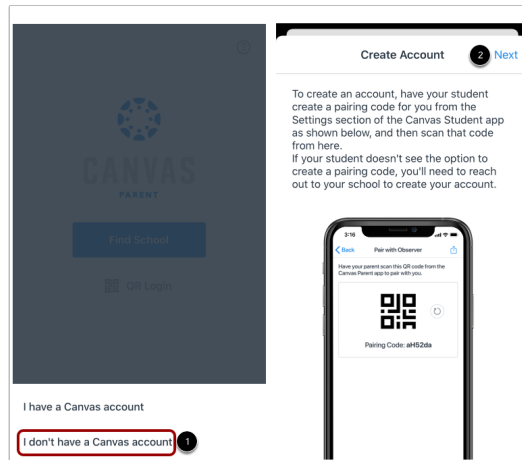

2. Find School

To find your institution, tap the **Find School** button.

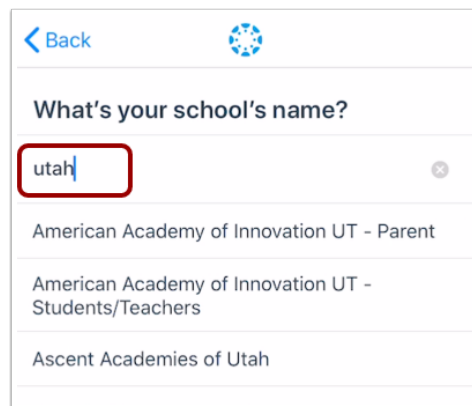

To create an account using a generated pairing QR code, tap the **QR Code** link.

Create an Account using QR Code

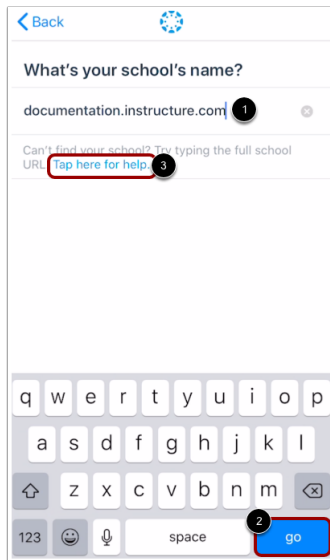

To create an account using a QR code, tap the **I don't have a Canvas Account** link and tap the **Next** link.
Open the Canvas Student app and scan the QR code.

Find Institution

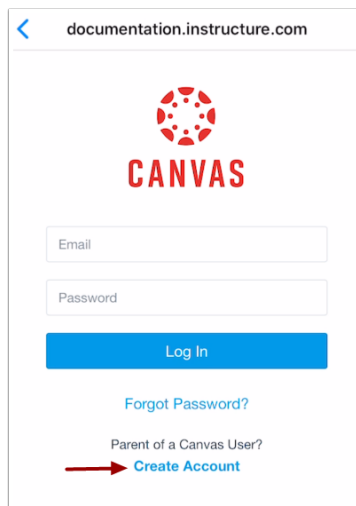

Enter Argos Community Schools. When the full name appears in the search list, tap the name.

Enter Canvas URL

You can also login using your Canvas URL. Enter `argoschools.instructure.com` in the search field. Tap the **Go** button on your keyboard.

Create Account

To create an account, tap the Create Account link.

Enter the six-digit pairing code for the student you want to link to in the **Student Pairing Code** field.

Students can generate pairing codes (please see other document) or call the office to get one.

6. Complete Registration

A screenshot of a registration completion screen. At the top, there is a checked checkbox followed by the text "You agree to the [terms of use](#) and acknowledge the [privacy policy](#)." A red arrow points from a black circle containing the number "1" to the checkbox. Below this text is a light gray bar containing two buttons: a white "Cancel" button and a blue "Start Participating" button. A black circle containing the number "2" is positioned above the "Start Participating" button.

To complete your registration, agree to the Terms of Use and Privacy Policy. Then tap the **Start Participating** button.
