

ARGOS ELEMENTARY SCHOOL

STUDENT DROP-OFF AND PICK-UP PROCEDURE

*** Please use these procedures for the safety of our students ***

MORNING DROP-OFF

Option 1: When entering First Street, stay to the right, single file, and drop your children off beside the yellow curb in the "Student Drop-off Zone", then exit on Yearick Avenue. **All children must be dropped off at the curb in the drop-off zone.** Be sure your children are ready to exit the car when you reach the curb. Make your drop-off time as short as possible so others can enter the drop-off zone. **Please do not let your children off in the street or parking lot.**

Option 2 (easier method): When entering Yearick Avenue drop your children off at the tennis court, turn right and exit First Street. There will be two people that will help students cross the parking lot by using the crosswalk.

**NO PARKING is allowed in the drop-off zone (refer to map above).
This area must be kept free of parked cars for student visibility.**

AFTERNOON PICK-UP

You may pick-up and park along the East curb of the parking lot, East curb of First Street and East curb of Yearick Avenue. No students will be allowed to enter the parking lot except those who need to use the crosswalk.
