If a child packs their lunch and wants milk, they will have to purchase a carton of milk from the kitchen, or can take milk from the sharing table, located in the cafeteria, which is free of charge.

Breakfast is available each day of school, in the cafeteria, starting at 7:45 a.m., for Jr. High/High School students and Elementary students. Breakfast is a great way to kick off your child's day!

If we have a 2-hour delay, no breakfast will be served.

Understanding the Lunch Line

Each day, your child is offered a lunch containing the following: Meat or Meat Alternate, Grain, Fruit, Vegetable, and of course, Milk. While the most nutritious lunch contains all of these options, we know that sometimes your child/children do not like some of the items served. So they are given the option to decline items they do not want. Out of the 5 food groups offered, they must choose at least 3 food groups for their meal. One of the food groups must be a fruit or vegetable. Some of the menu choices may count as two food groups such as pizza, nachos, or hamburger on a bun.

Breakfast choices are a little different than lunch. Students must take 3 of the offered items at breakfast; one must be a fruit or vegetable.

(Check other side for more information)

Jr./ Sr. High School (6th-12th) – Students must have their ID Barcode or know their 4 digit KeyPad number to purchase meals. Their keypad number is located on the student's schedule.

Family Meal Accounts

Elementary, Junior High, and High School students are grouped together into their own family accounts. The parent or guardian who is listed first in the family grouping is the "Payor" of the Meal Account. Payments will be placed into that account and all children listed in the family account will pay for their breakfast and/or lunch through that one account. Deposit slips for payments will require the "Payor" name plus student's names and the total amount you are depositing. Payments are to be turned in at the beginning of the school day. Late payment deposits may not appear in your account till the following day. Parents please explain to your children that all of them will be sharing the money in the family account. If you want to limit extras or stop all ala carte purchases, notify Mrs. Cathy Null at 574-598-2887 or by e-mail at cnull@argos.k12.in.us

Argos Community Schools Charging Policy

You should carry a positive balance in your Family Meal Account so your child/children can purchase meals. At the end of each day, if your Family Meal Account is in the negative, you will receive a message from our automatic messenger system. If your account is negative, a deposit will need to be made on the following morning. Payments can be given to Mrs. Cathy Null, given to first hour teachers, dropped off at either of the school offices, or made online thru e-funds (link can be found on the school homepage under the Parents section).

If no payment is received you will continue to receive messages from our automated messenger service and you will receive a written notification of your account being negative. If still, no payment is received and your Family Meal Account becomes \$20.00 in the negative, you will be notified that your child/children will only be able to receive a peanut butter sandwich and milk for lunch until the negative balance has been paid.

Argos Community Schools Messenger Service

The School Messenger Service makes the notification to households who have a negative Family Meal Account balance. The messenger service will only state one customer's name on the Family Meal Account as being in the negative, but it is the entire family on the account that are negative. Notifications begin at 6:00 p.m. You can choose the way you would prefer to be notified of your meal account balance by logging on to the School Messenger Service and choosing the Contact Type you would prefer for Food Service (phone, e-mail, and/or SMS (text message)).

Any questions about the Food Service Program please contact: Mrs. Cathy Null (Food Service Clerk-Treasurer) at 574-598-2887.

This institution is an equal opportunity provider.
